Professor Shuichiro Shiina

President Elect, APASL

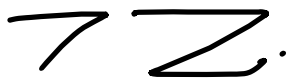

Department of Gastroenterology, Juntendo University
2-1-1, Hongo, Bunkyo-ku, Tokyo 113-8421 Japan

Dear Professor Shiina,

It was delighted to know that you have recently launched the Japan Academy of Tumor Ablation (JATA). Congratulations on this event and we all agree that Japanese doctors are among the pioneers for tumor ablation for several decades and had led this field. I hope that the academy will be the center for doctors in this field not only in Japan but also around the world.

Thank you for your outstanding contribution to the field of tumor ablation.

Sincerely yours
