

**Dear Professor Shiina and all founding members of
Japan Academy of Tumor Ablation**

Congratulations!

Please accept my heartiest congratulations on behalf of Taiwan Academy of Tumor Ablation (TATA).

For decades, the interventional oncologist of Japan and Taiwan have shared the experience, skill and academic knowledge always.

We walk together, fight for patients together and develop the field of tumor ablation together.

It's our great pleasure to see the establish of Japan Academy of Tumor Ablation (JATA). TATA will be the brother of JATA forever and stand firmly by you.

I believe, under your excellent leadership with the strong support from all the members, JATA will keep growing rapidly!

May all the best and great success be with you!

Your sincerely

**President of TATA
Professor Sky, Kai-Wen Huang**
